Friends of Rim Country GCC, Inc.

Our mission is to encourage the ideals of higher education by providing scholarships and other services to students of the Payson Campus in the Gila County Provisional Community College District (also known as EAC-Payson Campus). Your donation helps students achieve their goals, such as achieving a career certification or moving on to a university.

LEGACY GIVING

Legacy giving is a donation made by an individual through a will or other formal designation. Legacy gifts can be prepared with a financial planner or in consultation with a family member. Such gifts can include material goods, property, stocks—anything that's of value to the beneficiary. Gifts of this nature are meant to reflect your values and desires, such as supporting post-secondary education through scholarships for tuition or grants for books and fees. All donations given to our organization go to a local Payson Campus college student working to achieve his or her goals.

Specifically, this form is for a donor wanting to leave a legacy or financial gift [one-time or recurring] with our organization as the beneficiary: Friends of Rim Country, GCC, Inc.
